TRUSTECH, THE GLOBAL EVENT DEDICATED TO INNOVATIVE PAYMENTS AND IDENTIFICATION SOLUTIONS OPENS IN FIVE DAYS

PARIS EXPO PORTE DE VERSAILLES, PAVILION 5.2

For three days, the card industry and digital trust technologies will be in the spotlight and professionals will meet at the TRUSTECH exhibition in Paris. Meetings, innovations, content, and business meetings will be held for the 6,500 attendees from all over the world.

CEO, project managers and all decision-makers will be able to discover some 200 innovations presented by French and international exhibitors. All the solutions, products, technologies, and applications for security will be presented and deciphered by expert speakers.

Solutions and services presented:

- Biometrics
- Cards, micro-modules for cards and other factors (smart objects)
- Cryptography
- Digital platforms
- Electronic components & sensors
- Generic OS for cards, readers and terminals
- IC and IC solutions (tools, services, process)
- IoT
- Materials, consumables, accessories
- National printings
- Software and services for authentication and access control
- Software and services for identification
- Software and services for payment and loyalty
- Solutions and equipment for personalization of cards
- System integration and database management
- Terminals, readers and devices equipment
- Test equipment, certification and maintenance of system

The 70 conferences hosted by international experts will allow professionals to debate and share their thoughts on the evolutions and challenges related to new payments and identification in Europe and in the world:
